Stars of the week last week

Ash: Mary
Beech: Hugh
Cedar: Charlotte
Oak: Daisy
Willow: Ellamae

Golden Leaves

Ash: Arno
Beech: William
Cedar: Tommy
Oak: Elodie
Willow: Eddie

Message from Sarah Price

It has been another busy and successful couple of weeks at school.

This week Year 6 demonstrated tremendous courage, resilience and teamwork during their residential visit. They represented the school brilliantly, and I would like to extend my sincere thanks to Mr Snow and Mrs Tolen for

generously volunteering their time to support the trip.

A reminder that Parents' Evenings will take place over the next two weeks. Please ensure you sign up for an appointment via the Arbor app if you have not already done so.

Next week, we look forward to gathering for our Harvest Church Service. Thank you in advance for any donations of food, which will be given to CHAT in Tiverton to support local families in need.

Finally, school photographs will also be taking place next week, so please ensure children come to school looking their smartest.

Have a wonderful weekend.

Willow Class (Pre-school)

Hello everyone. It has been another lovely week of learning through play in Willow and across the setting. We are continuing to explore our "My World" topic and have been practising moving our whole bodies in lots of different ways. We have particularly enjoyed spinning and turning with the hoops. We have also been exploring autumn sounds with Fred, including pitter-patter, splash-splash and crackle-crunch.

During story and circle time, we talked about the similarities and differences within our families. Have a lovely weekend!

Oak Class (Reception)

We have had another wonderful week in Oak Class and have continued our exciting learning about Autumn. We have been exploring the seasonal changes happening around us and have enjoyed collecting autumn treasures during our outdoor learning. The children have used leaves, conkers and acorns to create beautiful pictures and patterns, developing their creativity and mark-making skills. We have also been enjoying our book, 'Martha Maps It Out', and have used it to inspire our role play area, where the children have enjoyed creating and exploring their own maps. We have also been learning about animals and thinking about how they prepare for the colder months ahead. It has been another busy week full of fun, learning and discovery!

Cedar Class (Year 1 and 2)

What a couple of weeks Cedar have had! We have become recycling workers in science - sorting through rubbish and recycling. In geography, we have started to learn about the UK and the countries within it - focusing on England and Scotland to begin with.

In English, we have been exploring alliteration to use in our Harvest poems. We have really enjoyed coming up with adjectives and verbs that link with the first sound of our name too. In Maths, we have moved on from place value to adding and subtracting, looking at number bonds to 10 and 20.

Beech Class (Years 3 and 4)

It has been another busy and productive two weeks in Beech Class! In Maths, we have begun exploring addition and subtraction, focusing on developing our understanding of place value and using efficient methods to solve increasingly challenging calculations. In English, we have been started our exciting new text, Tar Beach, and the children have enjoyed exploring the story, its characters and themes and we are looking forward to using the text as inspiration for our own writing over the coming weeks. In

P.E., we have continued to develop the essential skills needed for tag rugby. The children have practiced their passing, movement and teamwork, demonstrating increasing confidence and cooperation during games and activities.

Ash Class (Years 5 and 6)

In Ash Class this week, Year 5 have been busy revisiting key learning across a range of subjects while Year 6 have had a fantastic time on their residential trip to Grenville. In Maths, children explored Roman numerals and developed their problem solving skills. In RE, they created harvest poems using a variety of poetic forms, including haiku, cinquain, tanka and kenning. Art lessons focused on creating depth and planning to print with lino and an ink roller. In English, the children used their imagination to write descriptive pieces inspired by their 'Pobble' pictures, incorporating nouns, verbs and adjectives. Meanwhile, PE sessions continued with tag rugby, where children practised passing techniques before applying them in games. Excellent effort from Year 5 this week and welcome back Mr Snow and Year 6 next week.
